Comment. A total of 48 tanks were completely overhauled at the plant in February and March 1954. This amount is on about the same level as that of July, August and September 1953. The receiving stations are posts of tank units. The delivery of spare parts to the following tank repair shops of the six armies is noteworthy:

Altuedersdorf - Second Gds Mech Army

Kummersdorf - Third Gds Mech Army

Dresden-Neustadt - First Gds Mech Army

Ziesar, [] - Third Shock Army

Finow, [] - Fourth Gds Mech Army

Hohenstein-Ernstthal, [] - Eighth Gds Army.
